

Camera-Ready Submission & IEEE Copyright Release

For camera ready submission, please

- revise your paper to address the review comments from QRS 2021
- format the paper using the required template

Word DOCX: <https://qrs21.techconf.org/download/QRS-Paper-Template.docx>

Latex: <https://qrs21.techconf.org/download/QRS-Paper-Template.zip>

- provide all the images in the jpg/png format if you use Latex to prepare your paper
- upload the source files (Word DOCX or Latex) and the pdf version of your paper at <https://www.softconf.com/utdn/QRS2021-Final-Paper-Submission>
After you log in, click “Make a new Submission” under the “Submission(s)” section.

To submit your IEEE copyright release form,

- use [this link](#) for regular papers and short papers
- use [this link](#) for workshop papers, fast abstracts, industry track papers, and poster papers
- use [this link](#) for papers accepted If co-located events

The extended deadline is **November 15, 2021**

If you have any questions including an inquiry about your paper ID, please contact [Dongcheng Li](#).
